Given the diversity of human societies, gathering and organizing the sheer mass of information in a meaningful way is a daunting challenge for any world history survey course. Through the seven-part chapter-level and part-level features, the hallmark twin themes of traditions and encounters emerge in greater clarity than ever before in this sixth edition. As a result, students have resources that enable them to move to the next stage of analysis and, finally, to comprehend the human past. The Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need, when they need it, and how they need it, so that your class time is more engaging and effective. Een huiveringwekkende confrontatie, toen een uitleemde kwaad Het eerste wond ik ruik is rood. Een schrijver heeft een mooie formule bedacht: 'Het stinkt doden, maar dan is het kwaad. Hij was op zoek naar een triest, echt authentiek: 'Het is het bloed; zei ik tegen hem. 'De dood stinkt, maar waarneem je voornamelijk bloed ruikt, ruik je meestal een moord.' Het is alsof je een mond vol muntjes hebt die je niet kunt uitspugen.' Ik ruik het nu, die doordringende, weegei, koperachtige geur. Tot op zekere hoogte windt het me op. Er is hier een moordenaar geweest. Ik gaag op moordenaars. Ik zie zelf een moorder. Ik voel een kwaad. Ze heet Sarah, bevindt zich op de plaats delict van een gruwelijke dreigende moord en houdt een pistool tegen haar hoofd gedrukt. Ze beweert tegenover de politie dat 'de Vreemdeling' haar adoptiegezin heeft vermoord. Dat hij haar al haar hele leven achtervolgde en iedereen vermoordt van wie ze houdt. En dat niemand haar gelooft. En dat niet iemand haar gelooft. En dat nooit Special agent Smoky Barrett heeft de leiding over CASMBRC, een speciale FBI-eenheid die zich bezighoudt met het opsporen van seriemoordenaars. En deze zaak zal het uiterste van hen vergen. Want een nieuwe wreedste dubbelle moord toont aan dat deze seriemoordenaar op een missie is en verdergaat dan welke moordenaar dan ook. Verpleegkundige interventies is de vertaling van Nursing Interventions Classification (NIC). Deze vierde, herziene Nederlandse editie is gebaseerd op de zesde Amerikaanse druk. Het boek biedt een gestructureerde indeling (taxonomie) van verpleegkundige handelingen en verrichtingen. De belangrijkste kenmerken van de NIC zijn: - volledigheid: meer dan 500 interventies; - evidence-based; - vanuit de bestaande praktijk ontwikkeld; - weerspiegelt de actuele klinische praktijk en recent onderzoek; - duidelijke en klinisch zinvolle terminologie; - in het veld getoetst; - gecombineerd met de NANDA-diagnoses. Over a million students at thousands of schools have learned about world history with the best selling book for the course, Traditions and Encounters: A Global Perspective on the Past. Using the twin themes of traditions and encounters, the text emphasizes both the distinctive patterns of historical development within individual societies and the profound results of interactions between different societies. Exploring the historical record of cross-cultural interactions and exchanges, Traditions and Encounters places the world of contemporary globalization in historical context. The book helps students understand the world’s major societies and shows how the interactions of these societies affect history throughout the world. The authors tell a coherent and digestible story of the past that is not weighed down by excessive detail, so instructors are able to incorporate additional readings. This edition provides an updated map program as well as the latest scholarship. It also moves Primary Source Investigator online, improving access for students to work with primary sources. The fifth edition of this bestselling reader builds a strong foundation in both classical and contemporary history, with a sharpened focus on gender and anthropology, and the anthropology of new media and technology. Short introductions and key terms accompany every reading, and light annotations have been added to aid students in reading original articles. Used on its own or together with A History of Anthropological Theory, Fifth Edition, this anthology offers a flexible and univral introduction to anthropological theory that reflects not only the history but also the changing nature of the discipline today. The book brings together many recent texts that exemplify the history of anthropological thought and, in its fourth edition, exemplifies the four basic strategies of analysis, the big C’s: comparing, connecting, conceptualizing, and contextualizing, using twelve different branches of history. Comparing a unique collection of primary sources, this book critically examines several topics relating to ancient Egypt that are of high interest to readers but about which misconceptions abound. • Provides a clear and coherent narrative covering the history of Egypt, from the early dynastic period to the end of the New Kingdom, and beyond. • Provides a comprehensive overview of ancient Egyptian a hands-on approach to learning essential life and study skills for college students with Autism Spectrum Disorder (ASD). This book focuses on the transition to college, developing key academic skills, navigating campus social life, and living away from home for the first time. Ideal as a textbook for ASD college programs and suitable for students to use for self-study, it teaches independence skills, self-advocacy, stress management, time management, and social skills. Additionally, it provides strategies, valuable tips, useful links, and advice for students, parents, careers, and advocates. Exercises and workbook components that can be filled in at home or in class. Self-assessment tools ensure the skills from each chapter can be reviewed and adjusted as necessary. Patrick J. Geary's highly acclaimed collection of source materials on the Western medieval world is well-known for offering an excellent selection of substantial excerpts—or entire documents wherever possible—from the most widely studied historical texts. This much-anticipated fifth edition features a larger format, as well as enlarged type, to make the collection more reader-friendly. Study questions have been added at the end of each section to help students focus on key points in the text. New essays on the Black Death, William of Rubruck, and Marco Polo are included, as well as a new selection from St. Benedict's Rule for Monasteries and a new translation of Einhard's The Life of Charlemagne. Two color photo sections have been added, introducing students to fascinating medieval art such as a fifth-century ivory from Constantinople, the two earliest images of Joan of Arc, the Sachsenspiegel, and a shirt that belonged to Queen Bathild. "An accessible and engaging overview of anthropological theory that provides a comprehensive history from antiquity through to the twenty-first century. The fifth edition has been revised throughout, with substantial updates to the Feminism and Anthropology section, including more on Gender and Sexuality, and with a new section on Anthropologies of the Digital Age. Once again, A History of Anthropological Theory will be published simultaneously with the accompanying reader, mirroring these changes in the selection of readings and making it even easier to use both in the classroom. Each chapter begins with a list of key terms to help in the classroom setting. A History of Anthropological Theory will continue to be a proven text, offering the comprehensive history that is essential for students and scholars. Connect students to the experience of history. Connect students to success in history. At McGraw-Hill, we have dedicated the past few years to deepening our understanding of student and instructor experience.

Employing a wide array of research tools, including surveys, focus groups, and ethnographic studies, we've identified areas of need in improvement to provide an opportunity for greater learning and teaching experiences. The fifth edition of Traditions & Encounters is a result of this. Traditions & Encounters also has a rich history of firsts: the first world history text to take a truly global perspective on the past; the first to emphasize connections among cultures; the first to combine thematic topics with a seven-part framework, making the huge story of world history more manageable to both teach and learn. Now Traditions & Encounters becomes the first truly interactive world history program: one that marries groundbreaking adaptive learning technologies and diacritics with a captivating narrative and engaging visuals, creating a unique learning environment that propels greater student success and better course results. Instructors gain insight into students’ engagement and understanding as students develop a base of knowledge and construct critical thinking skills. Chapter-opening vignettes and a lively narrative keep students turning the page while the adaptive questioning for each chapter and the personalized study plan for each individual student help students prepare for class discussions and coursework. With its hallmark of twin themes, Traditions & Encounters continues to tell the story of the cultures and interactions that have shaped world history, while adding redesigned maps, new primary sources, and new chapter- and part-level features that strengthen connections and prompt students to analyze the events and themes in order to build a greater understanding of the past and an appreciation of history’s influence on the present. Students are no longer simply reading; they are reading, interacting, and engaging in a visual, auditory, and hands-on learning experience. Give students an experience. Improve course participation and performance. Experience Traditions & Encounters, and experience success. This comprehensive resource is an inviable teaching aid for adding a global dimension to students’ understanding of American history. It includes a wide range of materials from scholarly articles and reports to original syllabi and ready-to-use lesson plans to guide teachers in enframing the large of introductory American history courses to a international view. The contributors include well-known American history scholars as well as gifted classroom teachers. The book's emphasis on the development of world history, America in the twentieth century, and the World in the twenty-first century is evident in its length. The book also includes a "Views from Abroad" section that examines problems and strategies for teaching American history to foreign audiences or recent immigrants. A comprehensive, annotated guide directs teachers to additional print and online resources.Egypte, 1981. Anwar al-Sadat is president en Egypte staat op het punt om tot de moderne wereld toe te treden. Tegen deze achtergrond wordt in De dag dat de leider werd vermoord het verhaal verteld van een eeuwenlang verbonden eiland in de middellandse zee. Drie kleurrijke karakters staan centraal: de vrome familiepatroon Moehthaszejem Zajid, zijn kleinzoon Alwaan en Alwaans grote liefde, Randa. Randa’s vader acht de eeuwige arbeider Alwaan te min voor zijn dochter, waarmee hij de jongeman tot een wanhopige en fataal daad drijft. Traditions & Encounters offers an inclusive vision of the global past—one that is meaningful and appropriate for the interdependent world of contemporary times. Give the diversity of students the tools and resources to make sense of information in a meaningful way is a daunting challenge for any world history survey course. The seventh-portion conceptualization organization enables students to understand the development of the world through time, while also exploring broader, big-picture thematic issues in world history. Through new and revised chapter-level and part-level features, the hallmark twin themes of traditions and encounters emerge in greater clarity than ever before in this sixth edition. As a result, students are better equipped to analyze causes and effects of world events. The book also includes a "Views from Abroad" section that examines problems and strategies for teaching American history to foreign audiences or recent immigrants. A comprehensive, annotated guide directs teachers to additional print and online resources.
individual functioning and social behavior. Integrating research on numerous different faith traditions, the book addresses the quest for meaning: links between religion and biology; religious thought, belief, and behavior across the lifespan; experiential dimensions of religion and spirituality; the social psychology of religious organizations; and connections to coping, adjustment, and mental disorder. Chapter-opening quotations and topical research boxes enhance the readability of this highly instructive text. New to This Edition * New topics: cognitive science of religion; religion and violence; and groups that advocate terrorist tactics. * The latest empirical findings, including hundreds of new references. * Expanded discussion of atheism and varieties of nonbelief. * More research on religions outside the Judeo-Christian tradition, particularly Islam. * State-of-the-art research methods, including techniques for assessing neurological states. Kaplan’s, S-Steps, Crash Course and the others are great resources for reviewing at the end, but Tamm’s Textbook Tools accompanies students all year long. This AP World History companion is filled with vocab and assignments that follow the Bentley text throughout the year, chapter-by-chapter. It can be used for regular weekly assignments or review. It can be used on short notice if there is a sub or be done as homework. All you need is the textbook. Teachers can copy at will, or the book can be used as a student consumable. As publishers started putting the majority of their content online, it opened a niche for traditional paper assignments, a void filled by this series. The textbook itself can be written in ink or electrons, but students still need to write and keep notes for themselves, and portfolios still matter. These activities challenge students to apply the concepts and give examples, diagramming each chapter as it comes.
